Please join us for Tai Chi and Qigong every Monday from 10:00 – 11:00 in the Mojave Room. On the 1<sup>st</sup> Monday of each month, we will be on the East (Covered) Patio. Tai Chi is an internal Martial Art. It helps to improve strength, flexibility and balance. It improves cardiovascular fitness, lowers blood pressure and helps with the pain of arthritis. The deliberate movements help us feel more relaxed, grounded and present in our bodies. Tai Chi lowers anxiety, depression and stress while improving memory, focus and sleep. Qigong uses exercises to optimize energy within the body, mind, and spirit.

Madelyn Read, who is nationally certified in Tai Chi Chuan – Yang Style, is the instructor. All you need to bring to class is curiosity.

The Choral and Drama Club members are in full swing preparing for the upcoming “Diamond in the Desert” play, written by Jo Nightengale and directed by Peggy Scott. Actors have learned their lines and are now refining their timing. Stage scenes have been created and there may be some surprises coming down the aisles! Join us and prepare for a hilarious look back at the last 40 years at Country Roads. Tickets are on sale now and there is not a bad seat in the house! We offer two performances, Friday, Feb. 21, 7 pm and Saturday, Feb. 22, 1 pm. Our annual club meeting is scheduled for Friday, March 7, 10 am. All members are encouraged to attend and toast our accomplishments from the current season, discuss concerns pressing into the future, and vote on issues, including new board members. ## EAGER BEAVER WOODCARVERS & WOOD BURNERS

February is here in all it's redness. Those who were going to return for the season have returned to share their talents and stories of their past summer. We had our annual meeting the second Monday in January. All was found well. We are starting new classes which will be posted for those interested. I have become a "grand worthy advisor" and our new fearless leaders are Gary Stuart and Gerry Gackle. I won't mention how it takes two people to replace me, or they will make me take it back . New people in the park really need to check out this group. We are the movers and shakers of the park. We meet every Monday and Friday in the Woodcarving/ Lapidary Room in the main complex. We have carving kits available to help get you started. The annual fee is \$10

The next Country Roads Veterans Club coffee meeting will be held on Thursday, February 6, 2025 at 0800 hours (8 am) in the Ballroom. Please bring your own first cup of coffee or beverage and a second cup of coffee will be provided. Light pastries will be served. All Canadian and US veterans are invited to attend. Subsequent meetings will be held on the first Thursday of the month through April 2025.

We are pleased to announce that fellow club member Brad Mitterdorf will be our guest speaker. He will cover appropriate actions to take in case of an "active shooter" situation. This is a most timely subject based on what is happening all too often in our country.

For further information please either email Bert Rice at bert07@comcast.net OR call (410) 507-3366. We look forward to seeing and sharing with you on Thursday, February 6, 2025.

TAKE OFF POUNDS SENSIBLY

## TOPS! It's TIME!

Holidays are gone, so this is a great time to join us at TOPS. (Take Off Pounds Sensibly). Could losing weight and getting healthier actually be FUN? The answer is a resounding YES! Every Friday morning, as the meeting starts at nine in the Mojave room, you are going to hear, laughter and fun. We are not a glum group! On the contrary, while we are serious about health, weight loss for some folks, and about supporting each other, humor helps us along!

2025 is here. So, are you and me. How is it going to go? For me, I want to keep my health, but I have never done it alone. TOPS is the answer for me. Come see! It may be for you, as well. And your first meeting is FREE! Such a deal! PS, we could use a few good men. Ladies, bring or send your guys!

# COUNTRY ROADS SHUFFLEBOARD

Shuffleboard play in CR is alive and well. Our recreational play every Monday, Wednesday, and Friday at 8:30 (9:00am if still cold) is seeing more new folks each day. We are also seeing more neighborhood groups playing throughout the week, so this great finesse game is meeting many CR residents recreational fun. The courts are open for anyone to play either at the Club Morning Shuffle or on your own. You will only need to purchase wax (Dura Dress) from the Activity Office. This wax is sprinkled on the court prior to play and after proper cleaning the court. Your long (doggy gate) key will access the shuffleboard storage shed where cues, discs and cleaning equipment are located.

Our four (4) ASA league teams are very competitive in their respective leagues. Other park teams coming to play in our home matches realize they are in for a major battle for points.

Tournament play within District III (Yuma RV Parks) was scheduled regularly in December and more are scheduled for February and March. Country Roads was well represented in the December tournaments, and brought home the following awards: Split Singles Tournament at Fortuna De Oro---Linda Stoneburner took 4<sup>th</sup> place in the Women's Championship bracket; Grieg Carter took 3<sup>rd</sup> place in the Men's Championship bracket. In the Friendly Acres Holiday Any Singles Tournament---Tom Harty took 1<sup>st</sup> place in the Consolation bracket.

Everyone is encouraged to play with the club or on your own.

(continued...)

If you do not know the game, please come out each morning the club plays, and you will be placed with a kind, experienced player who will assist you. The last formal lesson of the season is scheduled for Monday, February 10 at 10:30am. We look forward to many fun times on the shuffleboard courts during February.

One-Third through this season and we have just begun the discover that creativity hiding inside our souls. You are bound to get your mind triggered in this amazing class, voted: **Happiest Class at Country Roads** for the 2024/25 Season. With all that simmering happiness, great ideas can come to the top of your imagination and your fingers will just fly over the computer keyboard as your mind unleashes your inner thoughts. Did you know John Denver wrote all his songs in about five minutes. He sat down and turned on his inner self and the words flowed out of him without him giving them much thought. You should try it. When some of us are late getting our writing for the week done on time and we are doing it the night before, we astonish ourselves at what we can put together at the last minute.

# MEN'S FELLOWSHIP

Wow! At least three months of the official 24/25 season is past. Even the new years resolutions may have gone by the wayside already.

Whoa! Not so fast. Back up a step or two. The majority of us at year wayside already at year end think about what we want to do more of, less of, differently, better, etc. One definition of insanity is doing the same thing over and over but expecting different results. My suggestion would be to pick a small number of things but actually do them. Exercise more regularly, socialize more if you're not already doing so, clean and organize that closet and shed that you've been meaning to do for several years.

It's been said to plan your work and work your plan. We all know how fast time slips by. The years go by like months. Without purposeful planning 12 months down the road you could be looking at the same unfinished projects, the same regrets for the things you did not do in 2025. It's actually not difficult to recenter your lives and find that you can be happier, more active, bringing joy to others and living with purpose and not just biding time. There's a bunch of guys in Men's Fellowship who could be a good example and provide some motivation for you if you want. All in the context of some coffee and donuts, a few laughs, hearing the Truth.

(continued...)

Here's an admonition from Phil. 3:13, "I forget about the things behind me and reach out for the things ahead of me."

Moving forward, pressing on.

# BUILDING FUND

As we enter the second month of 2025 the Building Fund Executive Committee is thinking ahead to the election of executive officers that happens every year in March. There are six positions on the executive committee and three positions will be up for a normal 2 year position and one position for a 1 year position due to a resignation. Steven Selheim, executive Vice Chairperson, is heading up the search to find people who would like to serve on the executive committee. Elections are not held for a particular position (ie chairperson, bookkeeper, etc.) but rather as a member of the executive committee. After being elected to the committee, the executive committee determines who will serve in each capacity. The election will be held at the March Building Fund General meeting on March 3rd at 9:00 am in the Mojave room. All homeowners and renters present at that meeting are eligible to vote. Each person running for a position will give a short presentation as well as a resume outlining their background and interest in the activities of the Building Fund. The Building Fund is always looking for new ideas and energy. (continued...)

If you are interested in serving our community by becoming a member on the committee, we welcome you to submit a resume to Vice Chairperson Steven Selheim (240-472-4598) or any of the other executive officers. A resume could also be left at the office to be brought to the attention of the Building Fund officers. In addition to the executive officers, the Building Fund has an opening available for the Saturday Morning Breakfast coordinator if that is an area you might want to volunteer for. The Building Fund has several fundraising events this month including a 40 th Anniversary Gala Dinner Show and dance to be held on Feb. 24 th . This promises to be a very fun evening and we hope you will purchase your tickets soon! The other fundraisers for the month include Wing It, Spaghetti Dinner and four Saturday morning breakfasts. All of these fundraisers are for the purpose of supporting our clubs and activities that might have a financial need. Please remember to submit a Request for Project (RFP) to the Building Fund Executive committee if your club or activity has a financial need.

# PAPER CRAFTING

On Nov 15<sup>th</sup> the Paper Crafting Club started the 2024 / 25 season in the Navajo Room, next to the ballroom. The club's members do card making, scrapbooking and various paper crafting projects. Club membership is \$20 per season which runs until March 29, 2025. Membership allows you to use the club's cutting machines, stamps, die cuts, embossing folders, paper and cardstock. Drop Ins are welcome for a small fee. Our club times are:

**Tues afternoons** from 1:00 to 4:00 (Beginner / Assistance class)  
**Wed evenings** from 6:00 to 9:00  
**Fri afternoons** from 1:00 to 4:00  
**Sat mornings** from 9:00 to 12:00

The club will be offering "Make & Take" card classes during the season. Space is limited and pre-registration is required. A sign-up sheet will be posted outside the Navajo Room a week before each class.

Do you have a paper craft project that you have delayed or need help getting it started? Not sure what to do with all those pictures on your phone? Our club offers a place to work on your own and our members are willing to provide guidance to get the project completed. Our club will be participating in the Country Roads Activity Showcase in the ballroom. Please come by and visit our table for more information on the club and class times.

# WHOLE FOOD PLANT BASED LIFESTYLE GROUP

We meet the first Tuesday of every month in the Inca/Aztec rooms from 1:30 - 3:30 PM, and currently we are learning about "F" words. To clarify -- words that start with the "F" sound -- like Fats, Fiber, Fish, Fasting, and Phytochemicals. We also enjoy hearing from speakers representing active/exercise clubs here at Country Roads, because two very important pillars of good health are excellent nutrition and adequate exercise. Add in restorative sleep, dealing with stress, joyful community, and purpose in life and you've got a real edge towards healthy and happy living in your Senior years! Besides our regular monthly meetings, we enjoy lunches together at the Sunrise Cafe, and Salad Potlucks in the Inca/Aztec rooms. First meeting is free, dues per year per household are only \$10 and that goes back into purchasing many different types of materials for club members to check out. Come join us and you'll find a lively community of friends and neighbors who are making small and big changes in their lifestyles to become healthier every day! (Hint: It's easier together!) Next meeting is Feb. 4 at 1:30 PM in the Inca/Aztec rooms. See you there!

# Book Club

The Country Road Book club meets on the third Monday of the month at 3:00 in the Navajo Room. (Feb 17<sup>th</sup>) We all read the same book and give our thoughts about the read. Typically, we read a book offered at the Yuma Library in a Book club Kit so there is no need to purchase a copy of the book. The month of February we will be discussing the book "Black Cake" by Charmaine Wilkerson. Please contact Joanne @ [fish\\_ioanne@yahoo.com](mailto:fish_ioanne@yahoo.com) or via text at 503-550-9017 to obtain a copy to

# KNIT & STITCH

Our Knit and Stitch Group meets every Wednesday at 1:00pm in the Navajo Room. Need some company while you work on a project, come and visit with us for a couple of hours. Need some help with a project, we have people who would love to help you if they can. We have needles and some yarn if you need some or if you want to try something different. Come and show us what you're working on, we love to see what other crafters are doing.
